It's not about joining a club, or blind faith, but the understanding of universal Truth and Love, God, that embraces *everyone*, and brings to light reliable healing solutions — *even where it might seem like there are none...*

ABOUT OUR SPEAKER

After graduating from college Tom worked in real estate finance, and at the same time, volunteered as a prison Chaplain where he worked with inmates in men's, women's, and youth facilities. Now as a Christian Science practitioner, he prays with people from all over the world in order to help others find spiritually-based solutions to challenges ranging from health and finance issues to relationship difficulties.

Hosted by the Christian Science Church in Eureka, and the Arcata Christian Science Society.
